**The firm**

Principally commercial places specialist, private client projects include Hotels, Banquet Hall and penthouse apartments, in super-prime Delhi- NCR locations as well as extensive states. We also provide custom made furniture for commercial sites.

Our group of talented designers each bring their own multi-faceted experience to the practice and are led by **FOUNDER & CEO Jitin Arora**, who has over 15 years' experience in the design field.. .

# 03

## The Practice

The company has employed a gem of a team who are well qualified and experienced in their respective fields senior architect, projectmanager, structural engineer, foreman and supervisors.
